This Privacy Policy (“Policy”) describes the information collected by or on behalf of AfyaGM Health & Wellness (“AfyaGM Health & Wellness,” “we,” “us,” or “our”) through our website (“Site”) and how that information is used, protected, and shared.

We may modify this Policy at any time. All changes will be effective immediately upon posting to the Site. Material changes will be conspicuously posted on the Site or otherwise communicated to you.

### **Direct Primary Care Notice**

AfyaGM Health & Wellness operates, in whole or in part, as a Direct Primary Care (“DPC”) practice as permitted under applicable state Direct Primary Care laws. A DPC practice provides healthcare services to patients in exchange for a recurring membership or periodic fee and does not bill health insurance for covered services.

A Direct Primary Care agreement is not health insurance and does not satisfy any individual insurance mandate.

AfyaGM Health & Wellness does not act as an insurer, health plan, or healthcare clearinghouse.

Patients are encouraged to maintain insurance coverage for services not provided under their DPC agreement.

### **Information We Collect**

At AfyaGM Health & Wellness, we respect your privacy and are committed to protecting your personal and health information. This policy explains how we collect, use, and safeguard your data when you visit our website or communicate with us electronically.

We may collect information that you provide voluntarily, such as your name, phone number, email address, or health details submitted through contact forms or membership inquiries. This information is used only to provide care, respond to your requests, and improve our services.

We do not sell, rent, or share your information with third parties.

Any protected health information (PHI) shared through our secure patient communication channels is handled in accordance with HIPAA regulations.

### **HIPAA and Health Information**

Information collected through the Site alone is not Protected Health Information (“PHI”) under HIPAA.

Health information collected as part of a Direct Primary Care membership is governed by applicable healthcare privacy laws and the patient’s Direct Primary Care Agreement.

By using this website, you consent to our privacy practices.
